Introduction to GeM

Government e Marketplace – The Genesis

- A one-stop online procurement portal for all Government Buyers including Central/State ministries, Departments, Bodies & PSUs. Launched on 9th August 2016. (<https://www.gem.gov.in/>).
- Rule 149 of GFR amended to “Procurement of Goods and Services by Ministries or Department will be mandatory for Goods or Services available on GeM”
- GeM aims to enhance efficiency, transparency, inclusiveness in public procurement.
- It provides the tools of e-Bidding, Reverse Auction and Direct Procurement to facilitate Government users achieve the best value for their money.

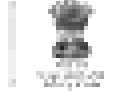

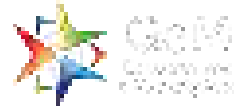

Shri Narendra Modi
Prime Minister of India

“The government is committed to curbing corruption. One of the key aspects of this objective is to minimize Governments human transactional interface.”

GeM has established footprint across India

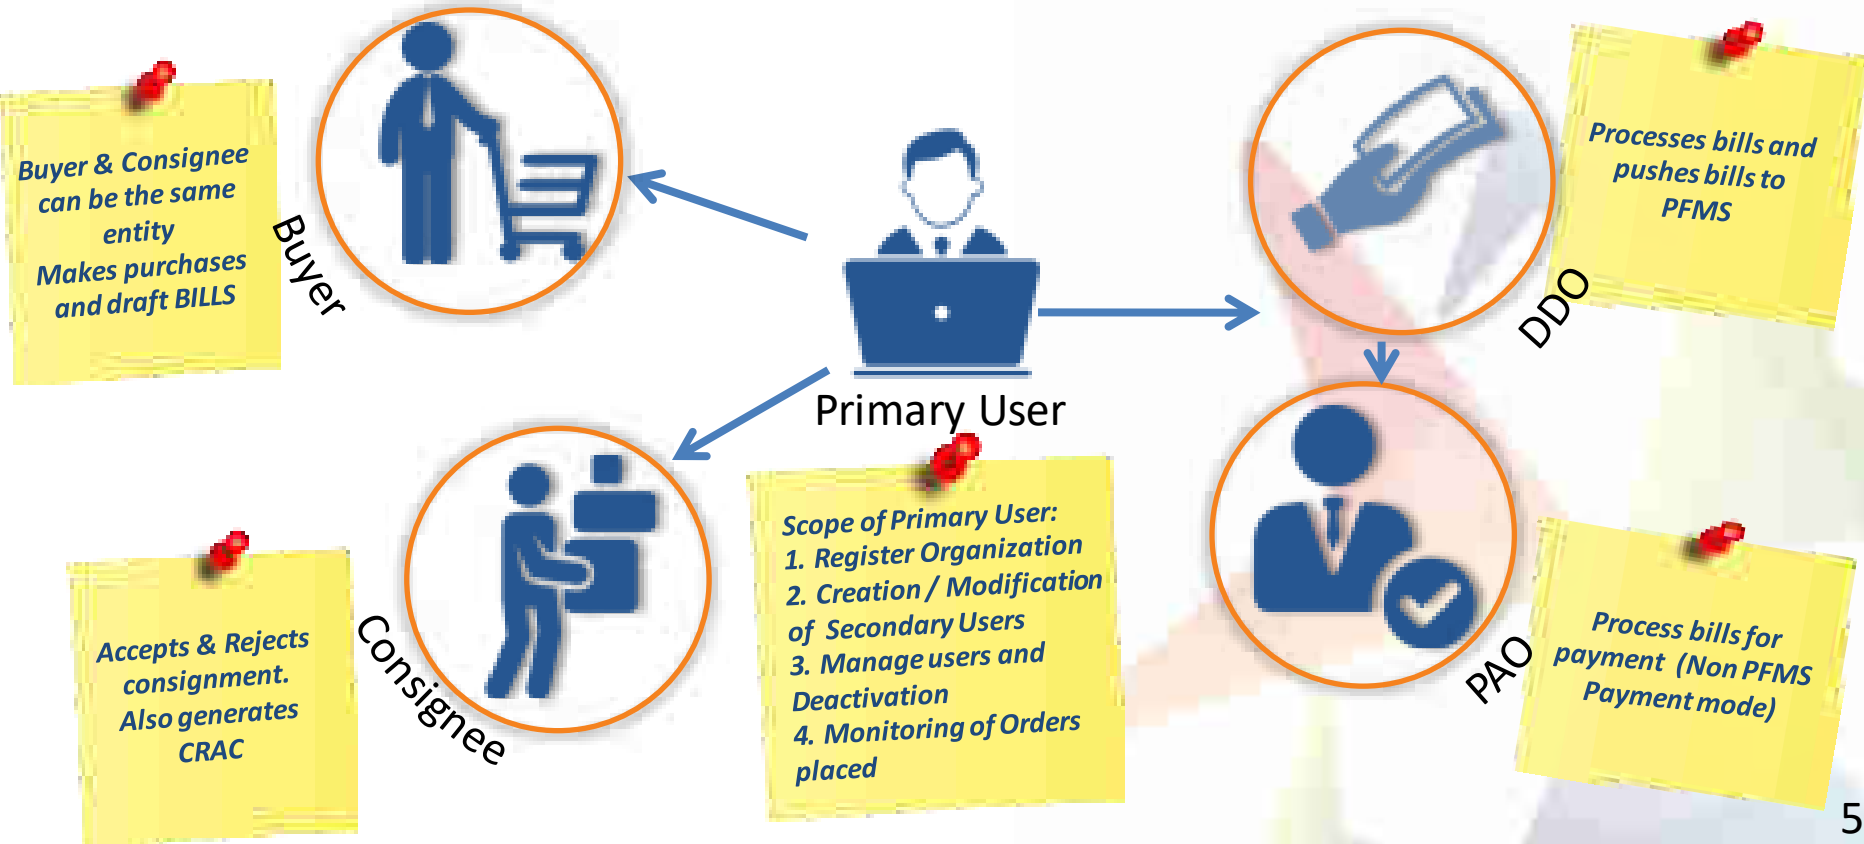

Partnered with Industry Associations & Other Institutes:

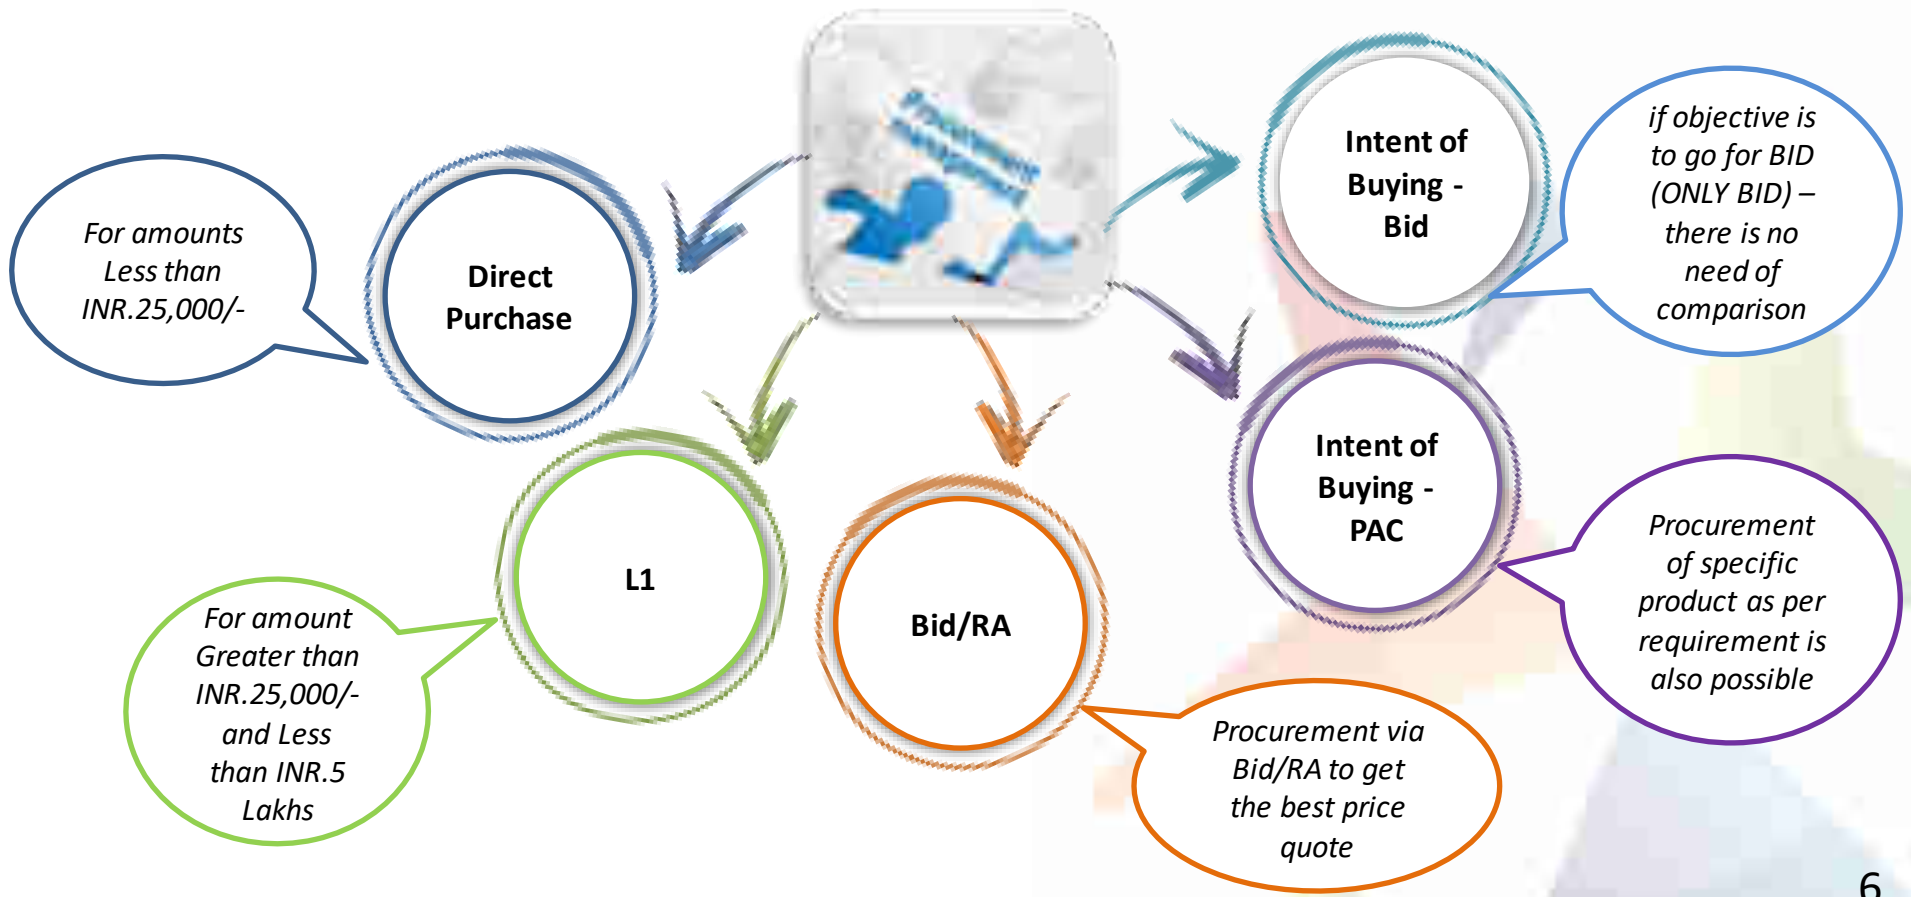

MoU with Financial Institutions/Banks:

Buyer User Roles based on Segregation of Duties

Offering Multiple Procurement Options

Key Advantages for Buyer

Ratings for Buyers/Sellers

Buyer Rating

- A strong Buyer Rating system will reward good performance by the Buyer and more Sellers would like to do business with a highly rated Buyer.
- Buyers will be able to attract better prices from Sellers, as more Sellers will like to do business with highly rated Buyers.
- Parameters on which buyer will get rated are-
 1. Timely Bid closure
 2. Timely order placing
 3. Timely acceptance
 4. Timely payments

Seller Rating

- A strong vendor rating system will reward good performance of sellers by giving them opportunity for more business
- Sellers will also be able to improve upon their ratings by focusing on specific areas
- Fake/Inactive sellers will be weeded out, hence ensuring only genuine sellers get to do business with government.
- Parameters for the Seller Rating :
 1. Coverage
 2. Timely Delivery
 3. Quality of Order Fulfillment
 4. Reliability

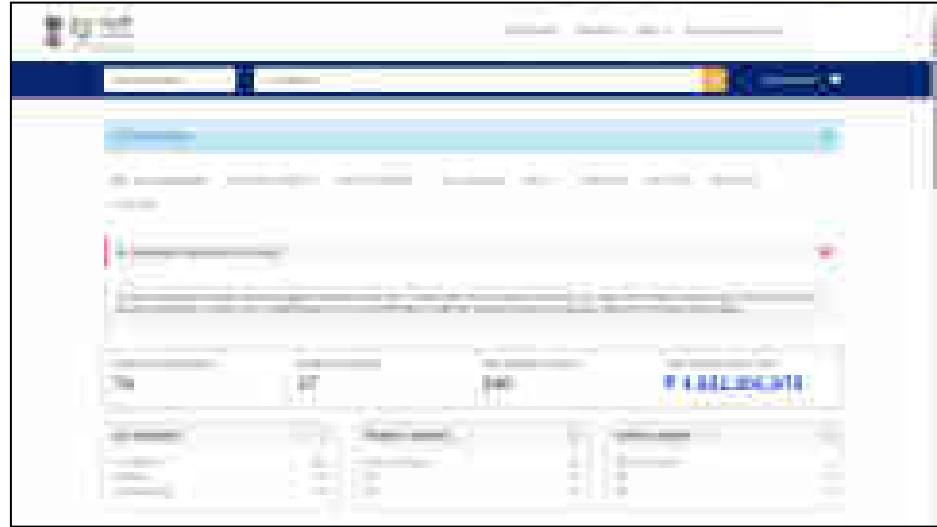

Classification of Buyers

Buyer Flagging

Individual Buyers are classified as Red and Orange as per their payment due status
Criteria for such classification would be –

- ✓ **Red** – more than 30 payments due for more than 70 days post CRAC
- ✓ **Orange** – More than 20 payments due for more than 70 days post CRAC

This feature is introduced to help the Sellers make informed decisions. Sellers will not be penalized for rejecting orders from “Red” buyers

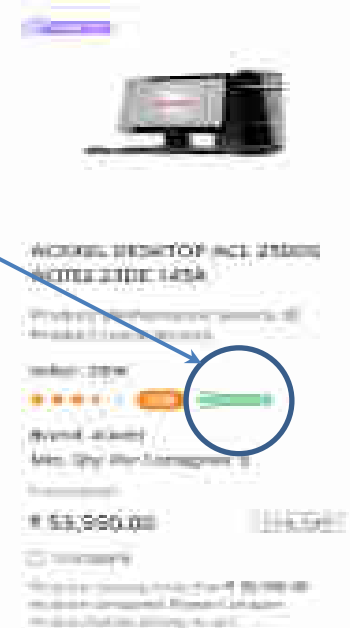

Vendor Assessment By QCI

GeM mandates the OEMs/Sellers (except those exempted) to establish their credentials and fast track their sales by getting pre-assessed by Quality Council of India(QCI)

Benefits of getting Vendor Assessment done at GeM:

- Pre-assessed Vendors are tagged as Vendor Assessed in front of their names at GeM Marketplace.
- Vendor Assessment is a contributing parameter to arrive at the Seller Rating displayed on the GeM Marketplace.
- The Vendor Assessment of the applicant will be based on authentication of vendor profile, financial capacity and technical details of the items to be offered on GeM as per the prescribed format.
- GeM provides Vendor Assessment services through QCI

Details of Vendor Assessment can be accessed at https://assets-bg.gem.gov.in/resources/pdf/user_manual_gem_va.pdf

Service Sanitization by QCI

1. Validation of Certification
2. Validation of Project Experience (Only Government/ Publiclisted company experience)

Details validated by QCI under certification (if applicable) are as follows:

- Company name
- Validity
- State for which license has been issued (if applicable)

Note: The details are verified against the document uploaded by the vendor

Details validated by QCI under project experience are as follows:

- Department name
- Oder Number
- Project Value
- Project Duration

Note: The details are verified against the document uploaded by the vendor

<input checked="" type="checkbox"/> QCI Verified Skill Service Provider <input type="button" value="SEE DETAILS"/>	Operations And Support Project...	Helpdesk Services, Network...	Graduate	B.Tech(CSE/IT), B.OA
<input checked="" type="checkbox"/> QCI Verified Skill Service Provider <input type="button" value="SEE DETAILS"/>	Operations And Support	Software Developer	Graduate	B.Tech(CSE/IT), B.Tech(ECE), BBA, B.OA
<input checked="" type="checkbox"/> QCI Verified Skill Service Provider <input type="button" value="SEE DETAILS"/>	Project/ Programme Implementation	Digitization Operator	Graduate	BBA, B.OA

“QCI verified” vendor for a service – Assures that the mandatory/ voluntary compliances, if any, & successfully completed/ executed relevant government/ public listed company project experience(s) declared by a vendor is validated by QCI.

Note: The total time for QCI Validation is 3 working days per service provider

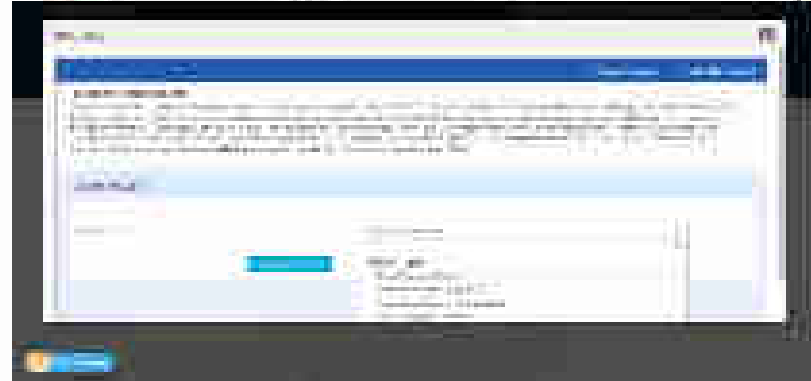

Request Management

Request management is designed specially for buyer to submit the request from the portal itself and buyer may also track the status of the request if required.

Request management offers you –

1. Request for Bid corrigendum.
2. Request for category upgradation.
3. Request for new category creation.

- As per GFR rules 149 related Key Points
 - The procuring authorities will certify the reasonability of rates.
 - The Government Buyers may ascertain the reasonableness of prices before placement of order using the Business Analytics (BA) tools available on GeM including the Last Purchase Price on GeM, Department's own Last Purchase Price etc.

Price Discovery Tools on GeM

- L1/Comparison
- Bid
- RA
- Bid to RA

Support to Buyers regarding Prices

- Third Party site price crawling
- Last 6 Purchases (if available) details
- Last Six Month Price Trends
- Real time and online mode of Incident Reporting in case of insanities related to price or specs of products

Note: - It is responsibility of the buyer to ascertain the reasonability of prices. GeM supports by enabling the above mentioned features for buyers

Latest Functionalities

GeM: New features for Buyers

1. Bid Cycle for COVID-19 related categories has been reduced to 3 days from existing 10 days. Buyers would also be able to reduce the Delivery Period for such items to 2 days considering the time critical nature of the items.
2. Local filter for purchase upto ₹5 lakhs enabled: Buyer will now be able to filter local sellers for purchases upto ₹5 lakhs to enable faster delivery of goods during COVID-19.
3. Shorter duration bids (3 days) for Services.
4. Allowing delivery period extension 30 days beyond expiry of original delivery period.
5. Buyers would now be able to filter sellers based on Lead Time input for purchases below 5 Lacs (L1 purchase)
6. Covid-19 Dashboard and Status Report launched to give first hand information w.r.t Covid-19 related product categories and procurement on GeM by way of smart dossier, updated on a daily basis.
7. MSE and MSE SC/ST Filter enabled on the marketplace for Direct Purchase (up to Rs. 5L)

GeM: New features for Buyers

8. Make in India Filter enabled on the marketplace for Direct Purchase (up to Rs. 5L)
9. GeM integrates with NIC for government buyer authentication, this will help government buyers access GeM using NIC Email ID and password itself.
10. End-user(s) of buyer organization will be able to rate the seller / service provider with whom the department has placed the order.
11. For ease of buyers - Bid Technical Comparison of all the participants made available to buyer in form of spreadsheet online unified view as well as downloadable spreadsheet.
12. Incident Dashboard introduced for Primary buyers (HODs) so that they can track the incidents raised against or by buyers under his/her supervision, this shall help close the loop faster by persuading the primary buyer to act on escalations from GeM
13. Services Post Contract enhancements - Increase in quantity and contract duration upto 25% of total contract value during running service contracts for applicable services.

Introduction to Buyer Functionality

Pre-requisite For Registration

For Primary User registration:

- ✓ Aadhaar number/Virtual ID of the user
- ✓ Mobile number which is linked with Aadhaar– for OTP purpose
- ✓ Email ids hosted by NIC, only NIC registered Email ids are allowed, this would facilitate users from all 1600+ domains to freely register and transact on GeM.
- ✓ Verifying authority details such as name, mobile number and NIC registered email id.

Introduction

Introduction

GEM Initiative for POSHAN is a multi-stakeholder initiative that aims to improve the nutritional status of children and women in India. The initiative is led by the Government of India, with support from the United Nations Children's Fund (UNICEF) and the World Bank. The initiative focuses on improving the quality of food and nutrition services, and on increasing the availability of nutritious food. The initiative is implemented through a network of state-level committees, which are supported by technical assistance from UNICEF and the World Bank. The initiative is expected to have a significant impact on the nutritional status of children and women in India.
