Introduction to GeM

Government e Marketplace – The Genesis

- A one-stop online procurement portal for all Government Buyers including Central/State ministries, Departments, Bodies & PSUs. Launched on 9th August 2016. (<https://www.gem.gov.in/>).
- Rule 149 of GFR amended to “Procurement of Goods and Services by Ministries or Department will be mandatory for Goods or Services available on GeM”
- GeM aims to enhance efficiency, transparency, inclusiveness in public procurement.
- It provides the tools of e-Bidding, Reverse Auction and Direct Procurement to facilitate Government users achieve the best value for their money.

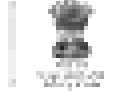

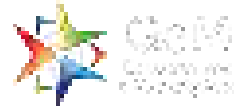

Shri Narendra Modi
Prime Minister of India

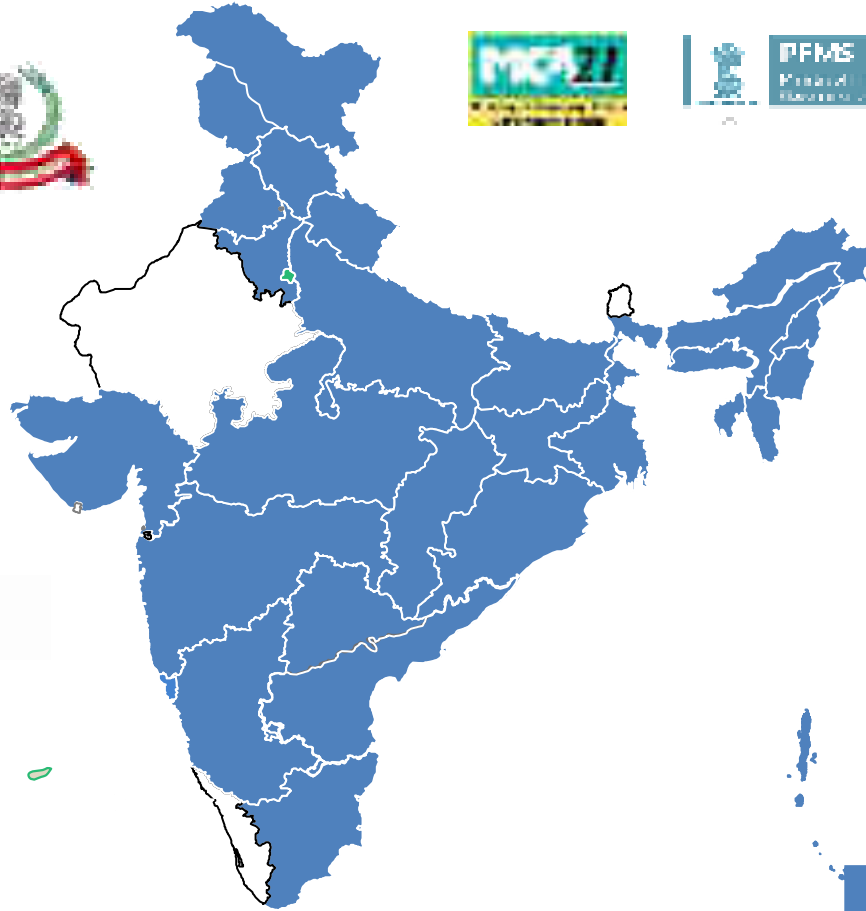

“The government is committed to curbing corruption. One of the key aspects of this objective is to minimize Governments human transactional interface.”

GeM has established footprint across India

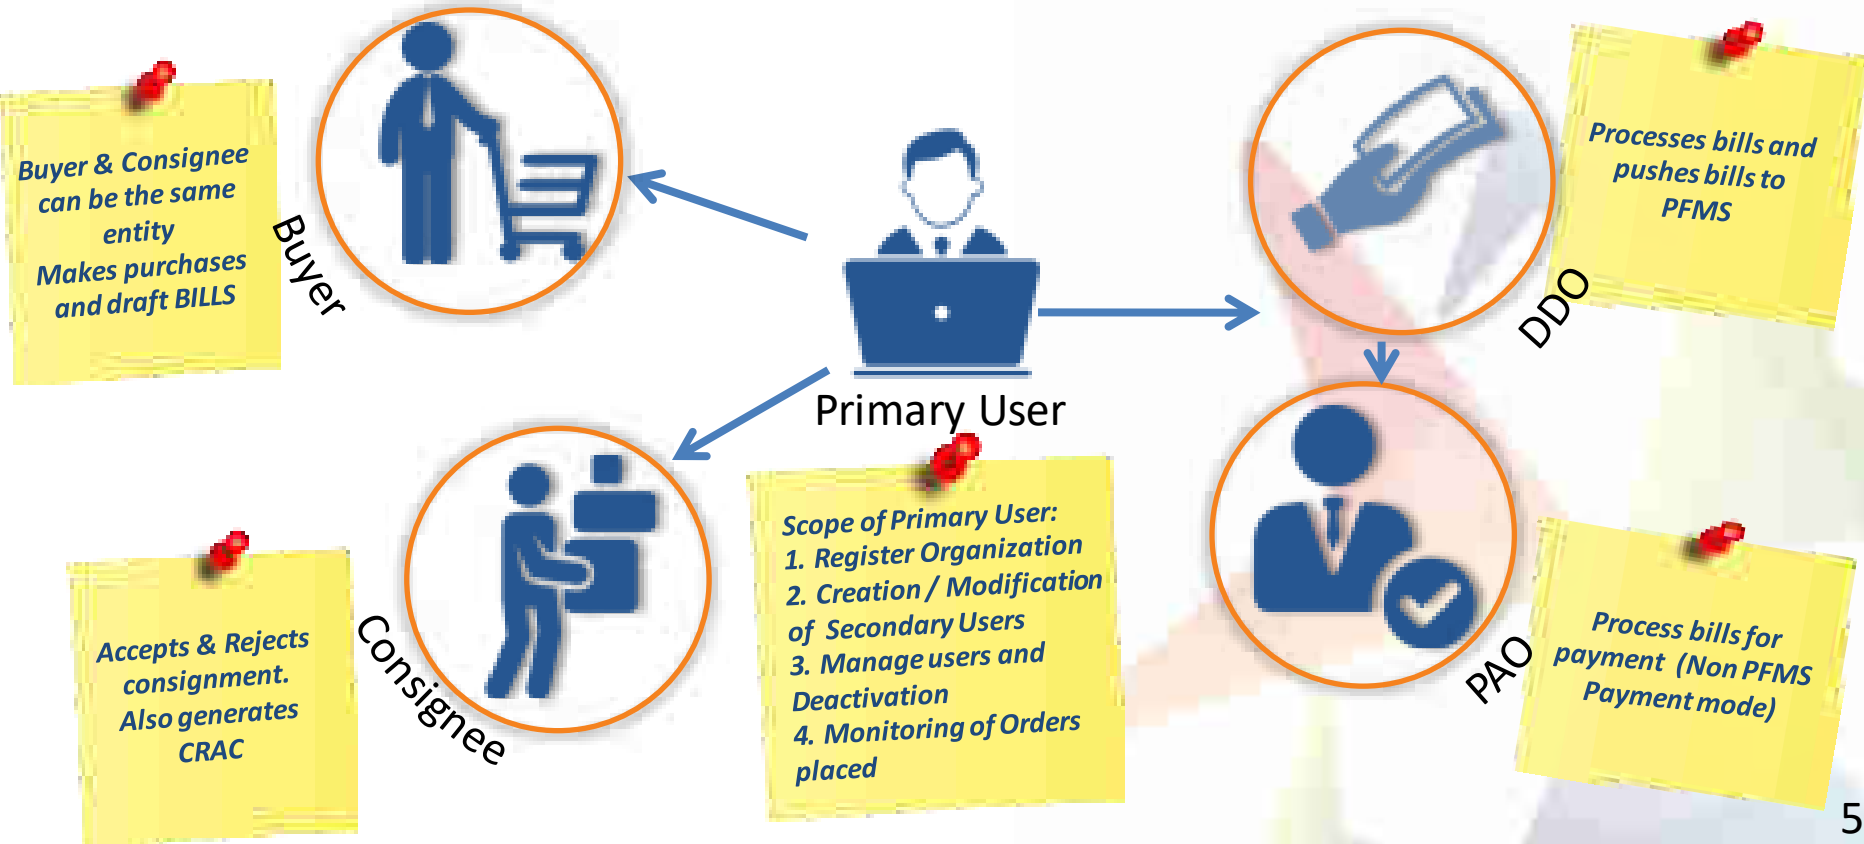

Partnered with Industry Associations & Other Institutes:

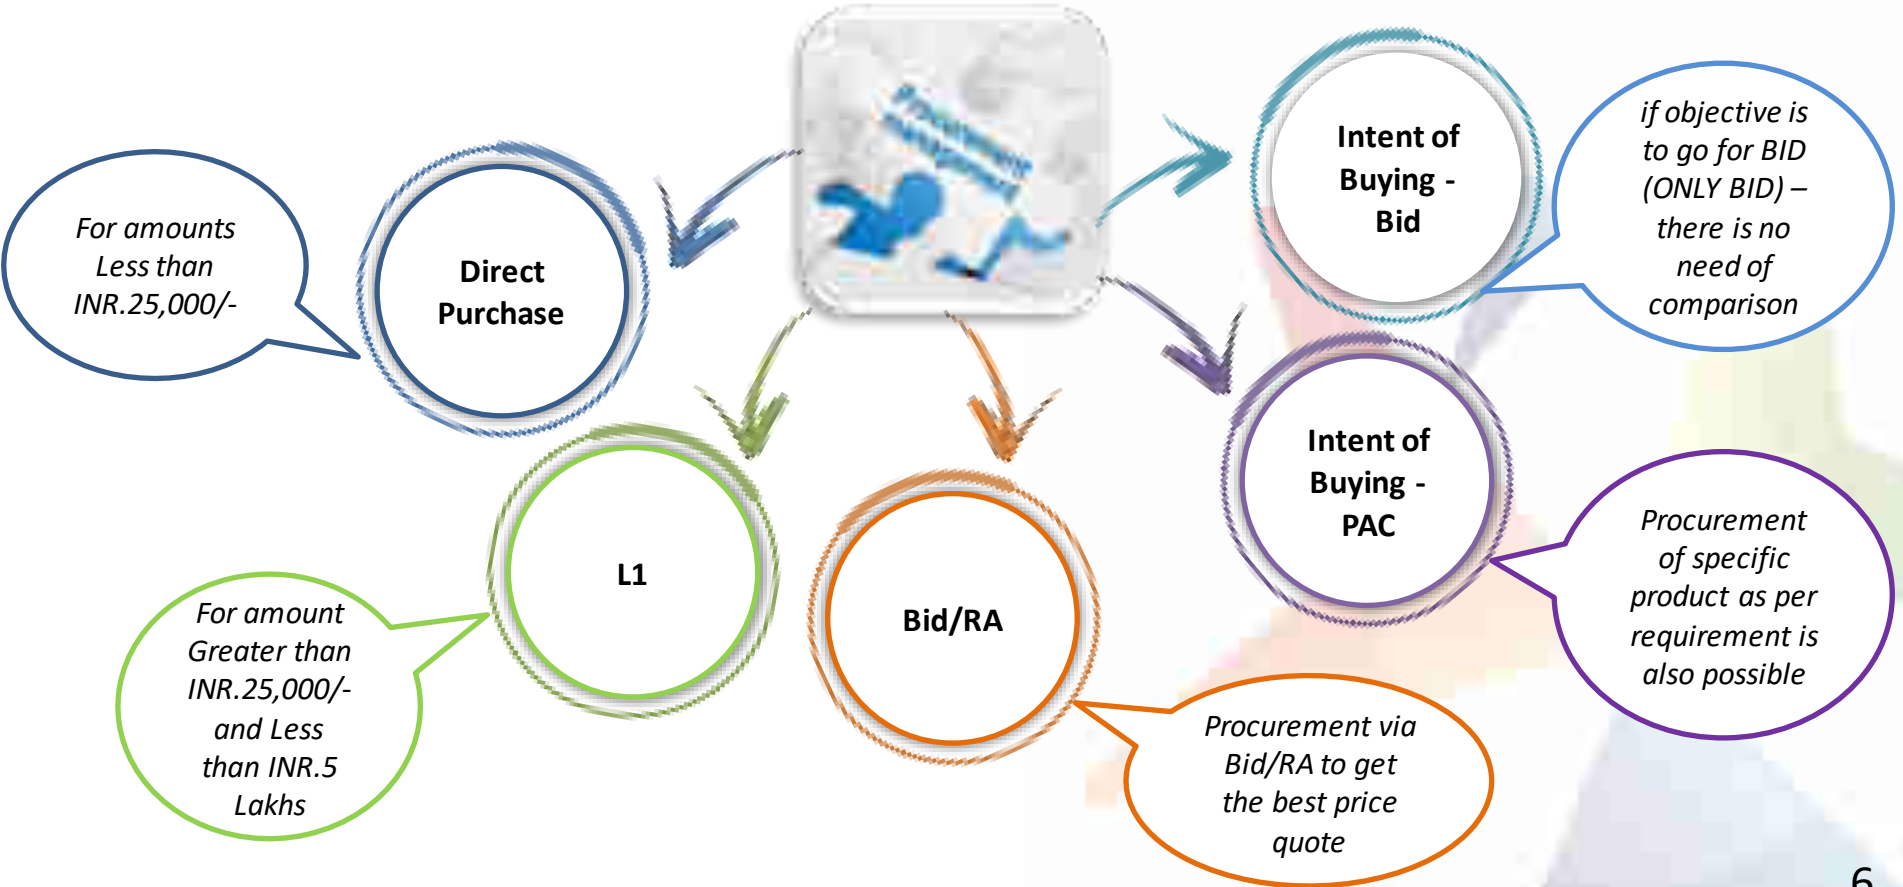

MoU with Financial Institutions/Banks:

Buyer User Roles based on Segregation of Duties

Offering Multiple Procurement Options

Key Advantages for Buyer

End to End System from Registration to Payment

EASE-OF-USE

Provides transparency and ease of buying

Provides options for search, compare, select and buy facility

Offers rich listing of products for individual categories of Goods/Services

Up-to-date user-friendly dashboard for buying, monitoring supplies and payments

Order Process redesigned for ease of use

Option to provide multiple consignee locations and quantity after authentication

Bunching for products/services

Price Trend for Products

Key Advantages for Seller

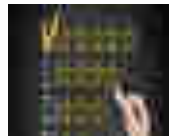

Direct access to all Government departments

One-stop shop for bids / reverse auction on products / services

Dynamic pricing: Price can be changed based on market conditions

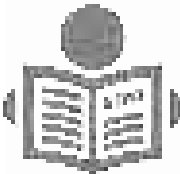

Strong vendor rating system

New Product suggestion facility available to Sellers

Seller friendly dashboard for selling, and monitoring of supplies and payments

News and Event Section for Regular Updates

New on GeM – Shows list of new product categories added

Ratings for Buyers/Sellers

Buyer Rating

- A strong Buyer Rating system will reward good performance by the Buyer and more Sellers would like to do business with a highly rated Buyer.
- Buyers will be able to attract better prices from Sellers, as more Sellers will like to do business with highly rated Buyers.
- Parameters on which buyer will get rated are-
 1. Timely Bid closure
 2. Timely order placing
 3. Timely acceptance
 4. Timely payments

Seller Rating

- A strong vendor rating system will reward good performance of sellers by giving them opportunity for more business
- Sellers will also be able to improve upon their ratings by focusing on specific areas
- Fake/Inactive sellers will be weeded out, hence ensuring only genuine sellers get to do business with government.
- Parameters for the Seller Rating :
 1. Coverage
 2. Timely Delivery
 3. Quality of Order Fulfillment
 4. Reliability

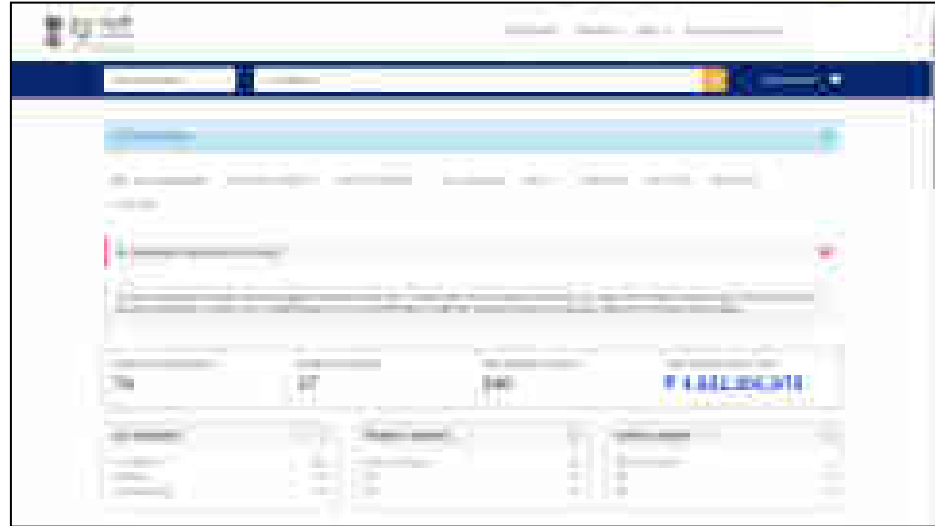

Classification of Buyers

Buyer Flagging

Individual Buyers are classified as Red and Orange as per their payment due status
Criteria for such classification would be –

- ✓ **Red** – more than 30 payments due for more than 70 days post CRAC
- ✓ **Orange** – More than 20 payments due for more than 70 days post CRAC

This feature is introduced to help the Sellers make informed decisions. Sellers will not be penalized for rejecting orders from “Red” buyers

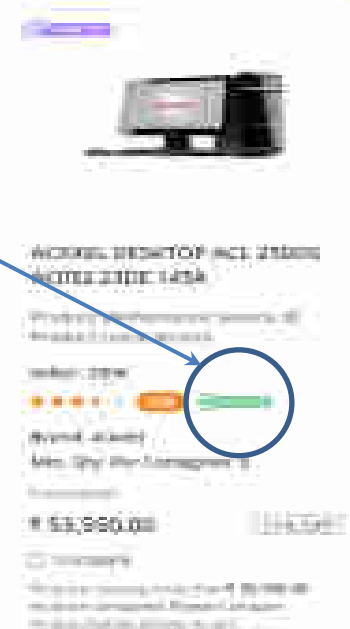

Vendor Assessment By QCI

GeM mandates the OEMs/Sellers (except those exempted) to establish their credentials and fast track their sales by getting pre-assessed by Quality Council of India(QCI)

Benefits of getting Vendor Assessment done at GeM:

- Pre-assessed Vendors are tagged as Vendor Assessed in front of their names at GeM Marketplace.
- Vendor Assessment is a contributing parameter to arrive at the Seller Rating displayed on the GeM Marketplace.
- The Vendor Assessment of the applicant will be based on authentication of vendor profile, financial capacity and technical details of the items to be offered on GeM as per the prescribed format.
- GeM provides Vendor Assessment services through QCI

Details of Vendor Assessment can be accessed at https://assets-bg.gem.gov.in/resources/pdf/user_manual_gem_va.pdf

Service Sanitization by QCI

1. Validation of Certification
2. Validation of Project Experience (Only Government/ Publiclisted company experience)

Details validated by QCI under certification (if applicable) are as follows:

- Company name
- Validity
- State for which license has been issued (if applicable)

Note: The details are verified against the document uploaded by the vendor

Details validated by QCI under project experience are as follows:

- Department name
- Oder Number
- Project Value
- Project Duration

Note: The details are verified against the document uploaded by the vendor

<input checked="" type="checkbox"/> QCI Verified Skill Service Provider <input type="button" value="SEE DETAIL"/>	Operations And Support Project...	Helpdesk Services, Network...	Graduate	B.Tech(CSE/IT), BCA
<input checked="" type="checkbox"/> QCI Verified Skill Service Provider <input type="button" value="SEE DETAIL"/>	Operations And Support	Software Developer	Graduate	B.Tech(CSE/IT), B.Tech(CCE), BBA, BCA
<input checked="" type="checkbox"/> QCI Verified Skill Service Provider <input type="button" value="SEE DETAIL"/>	Project/ Programme Implementation	Digitization Operator	Graduate	BBA, BCA

“QCI verified” vendor for a service – Assures that the mandatory/ voluntary compliances, if any, & successfully completed/ executed relevant government/ public listed company project experience(s) declared by a vendor is validated by QCI.

Note: The total time for QCI Validation is 3 working days per service provider

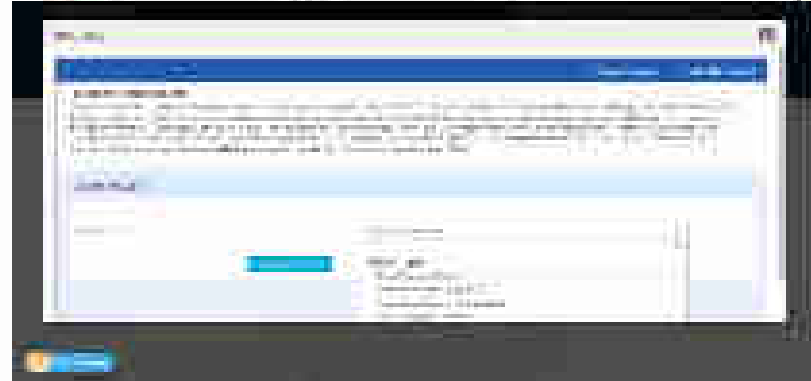

Request Management

Request management is designed specially for buyer to submit the request from the portal itself and buyer may also track the status of the request if required.

Request management offers you –

1. Request for Bid corrigendum.
2. Request for category upgradation.
3. Request for new category creation.

- As per GFR rules 149 related Key Points
 - The procuring authorities will certify the reasonability of rates.
 - The Government Buyers may ascertain the reasonableness of prices before placement of order using the Business Analytics (BA) tools available on GeM including the Last Purchase Price on GeM, Department's own Last Purchase Price etc.

Price Discovery Tools on GeM

- L1/Comparison
- Bid
- RA
- Bid to RA

Support to Buyers regarding Prices

- Third Party site price crawling
- Last 6 Purchases (if available) details
- Last Six Month Price Trends
- Real time and online mode of Incident Reporting in case of insanities related to price or specs of products

Note: - It is responsibility of the buyer to ascertain the reasonability of prices. GeM supports by enabling the above mentioned features for buyers

GeM – Last Purchase Price and Price Trends Feature

Additional Information

The last purchase price of the lot is ₹ 1,00,000.00. The last purchase price of the lot is ₹ 1,00,000.00. The last purchase price of the lot is ₹ 1,00,000.00.

The last purchase price of the lot is ₹ 1,00,000.00. The last purchase price of the lot is ₹ 1,00,000.00. The last purchase price of the lot is ₹ 1,00,000.00.

Latest Functionalities

GeM: New features for Buyers

1. Bid Cycle for COVID-19 related categories has been reduced to 3 days from existing 10 days. Buyers would also be able to reduce the Delivery Period for such items to 2 days considering the time critical nature of the items.
2. Local filter for purchase upto ₹5 lakhs enabled: Buyer will now be able to filter local sellers for purchases upto ₹5 lakhs to enable faster delivery of goods during COVID-19.
3. Shorter duration bids (3 days) for Services.
4. Allowing delivery period extension 30 days beyond expiry of original delivery period.
5. Buyers would now be able to filter sellers based on Lead Time input for purchases below 5 Lacs (L1 purchase)
6. Covid-19 Dashboard and Status Report launched to give first hand information w.r.t Covid-19 related product categories and procurement on GeM by way of smart dossier, updated on a daily basis.
7. MSE and MSE SC/ST Filter enabled on the marketplace for Direct Purchase (up to Rs. 5L)

GeM: New features for Buyers

8. Make in India Filter enabled on the marketplace for Direct Purchase (up to Rs. 5L)
9. GeM integrates with NIC for government buyer authentication, this will help government buyers access GeM using NIC Email ID and password itself.
10. End-user(s) of buyer organization will be able to rate the seller / service provider with whom the department has placed the order.
11. For ease of buyers - Bid Technical Comparison of all the participants made available to buyer in form of spreadsheet online unified view as well as downloadable spreadsheet.
12. Incident Dashboard introduced for Primary buyers (HODs) so that they can track the incidents raised against or by buyers under his/her supervision, this shall help close the loop faster by persuading the primary buyer to act on escalations from GeM
13. Services Post Contract enhancements - Increase in quantity and contract duration upto 25% of total contract value during running service contracts for applicable services.

Introduction to Buyer Functionality

Pre-requisite For Registration

For Primary User registration:

- ✓ Aadhaar number/Virtual ID of the user
- ✓ Mobile number which is linked with Aadhaar– for OTP purpose
- ✓ Email ids hosted by NIC, only NIC registered Email ids are allowed, this would facilitate users from all 1600+ domains to freely register and transact on GeM.
- ✓ Verifying authority details such as name, mobile number and NIC registered email id.
- ✓

Note: In case the user does not have an email id which is hosted by NIC s/he would be directed to open GeM buyer id email.

Secondary User registration:

- ✓ Aadhaar Number / Virtual ID of the User
- ✓ Active Mobile number to which your Aadhaar is linked – for OTP purpose
- ✓ Email ids register with such domain based email ids, which are hosted by NIC.
Note: Only NIC Registered email ids are allowed (Secondary users of an organization should be either of the same domain or email id ending with gov.in/ nic.in/ gembuyer.in/)"
- ✓

For Example:- If primary user having a "bicpu.edu.in" domain which is hosted on NIC, for secondary users "bicpu.edu.in" @gov.in,@nic.in & @gembuyer.in domains are allowed but it should be register at NIC..

Role Player Details

Primary User registration:

- ☞ Parent user of the GeM Portal & register the organisation.
- ☞ Creation & modification of all secondary users like buyer, consignee, etc.
- ☞ Administration of GeM procurement.
- ☞ Transfer of account to new primary user.

User Role Player Matrix

Generate Contract

**Terms and Conditions****1- General terms and conditions**

1.1 The Contract between the Seller and the Buyer is for the purchase of the Goods and/or Services indicated in the schedule above, in accordance with the General Terms and Conditions (GTC) as applicable on the Bidding portal (unless otherwise specified by Buyer's Particular Conditions (PC), and/or B Offeror's Particular Additional Terms and Conditions (ATC)), as applicable.

The Seller's acceptance of this contract is subject to its acceptance of the specifications, its compliance with supporting documents and its compliance with all other services in the scope of the contract which it may be provided to Buyer upon the award of the ATC, and the GTC of the contract also included in the Bidding portal.

1.2 Delivery period: The Delivery Period/Time shall be as per terms of the Contract and delivery period for completion includes that which shall be. Any modification therein shall be mutually agreed and incorporated in the Contract per the provisions of the GTC.

1.3 Performance: The Seller is liable to be subject to all obligations and responsibilities of the obligations under the contract shall be limited to the extent to which the Seller is liable for the performance of the contract. The Seller shall be liable for the contract.

1.4 Taxes and Duties: Contract Price shall include tax including all taxes, duties, local levies, transportation, handling, unloading charges etc. Break up of ITC shall be followed by the Seller with on going invoice till the end. While submitting the bill to Buyer, Seller shall undertake that the Goods used in making the ITC shall be eligible for ITC till the extent that such is payable. In case of purchase on the basis of a bill, the Seller shall ensure that the Goods used in the ITC shall be eligible for ITC. Seller shall ensure that the contract is not subject to any change in the contract. In case of any change in the contract, the Seller shall be liable for the contract.

1.5 Seller's Duty and liability: Seller's Contract Price shall include the Seller's liability to provide services and attend the work of purchase shall be allowed to Seller. Seller's payment of local taxes (such as stamp duty, General Duty, Demand Tax and other levies or related levies etc).

The Seller shall ensure that the contract is not subject to any change in the contract. In case of any change in the contract, the Seller shall be liable for the contract.

1.6 Resolution of Disputes: The provisions of DISPUTE RESOLUTION BETWEEN BUYER AND SELLER as given in the GTC shall be applicable here.

The Seller's Contract Price shall include the Seller's liability to provide services and attend the work of purchase shall be allowed to Seller. Seller's payment of local taxes (such as stamp duty, General Duty, Demand Tax and other levies or related levies etc). The Seller shall ensure that the contract is not subject to any change in the contract. In case of any change in the contract, the Seller shall be liable for the contract.

Generate Contract

10/10/2024 11:54 AM

1.8 Draw and Issue of Contract Documents to Bidders: Issuing all tender documents, including all specifications, including including every cost. Bids up to 21% shall be allowed by the Bidder and no bid amount shall be valid while retaining the bid. It is the Bidder's responsibility to ensure that the Bidder's bid is valid. The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid. The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid. The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid.

1.9 Bidder's Obligations to Provide Bond: Bidders shall provide a bid bond in the amount of the bid price, which shall be allowed to be forfeited in the event of a default by the Bidder. The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid.

The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid.

1.10 Resolution of Disputes: The provisions of DISPUTE RESOLUTION APPLICABLE TO ALL BIDDERS shall apply to all applicable bids.

The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid. The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid. The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid.

4.01 General Conditions

4.01.1 The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid.

4.01.2 The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid.

4.01.3 The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid.

4.01.4 The Bidder shall be responsible for providing all necessary documents and information for the Bidder's bid.

Terms and Conditions

4. Special Terms and Conditions

1.1.1. The user will view the CARTY checkout flow for the Buy, Buy with (BWB), and Buy with (BWT) checkout flows and will be held liable for any and all errors or omissions.

1.1.2. The user will be responsible for ensuring that the correct payment method is selected and that the correct shipping address is provided. The user will be held liable for any and all errors or omissions resulting from the user's failure to provide accurate information at the time of checkout.

2. GENERAL TERMS AND CONDITIONS

2.1. These Terms and Conditions shall apply to the purchase of goods and services from the Seller on the Seller's website, mobile application, or any other platform provided by the Seller. These Terms and Conditions ("TTC") shall be subject to the Seller's Additional Terms and Conditions ("ATC"), as applicable.

2.2. The user will be responsible for ensuring that the correct payment method is selected and that the correct shipping address is provided. The user will be held liable for any and all errors or omissions resulting from the user's failure to provide accurate information at the time of checkout.

2.3. Delivery period: The Delivery Period/TTC shall be subject to the Seller's and delivery times for each order will be subject to the Seller's ATC. Any modification to the ATC shall be mutually agreed and approved by the Seller and the user.

2.4. The Seller shall be responsible for ensuring that the correct payment method is selected and that the correct shipping address is provided. The user will be held liable for any and all errors or omissions resulting from the user's failure to provide accurate information at the time of checkout.

2.5. The user will be responsible for ensuring that the correct payment method is selected and that the correct shipping address is provided. The user will be held liable for any and all errors or omissions resulting from the user's failure to provide accurate information at the time of checkout. The user will be held liable for any and all errors or omissions resulting from the user's failure to provide accurate information at the time of checkout. The user will be held liable for any and all errors or omissions resulting from the user's failure to provide accurate information at the time of checkout.

Generate Contract

It is understood and agreed that the Seller shall be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations.

2.1. The Seller shall be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations. The Seller shall also be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations.

2.2. The Seller shall be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations.

2.3. The Seller shall be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations.

2.4. The Seller shall be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations.

2.5. The Seller shall be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations. The Seller shall also be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations.

2.6. The Seller shall be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations.

2.7. The Seller shall be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations.

2.8. The Seller shall be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations.

2.9. The Seller shall be responsible for obtaining all necessary permits, licenses, and approvals for the construction of the Project, and shall ensure that the Project complies with all applicable laws, codes, and regulations.

Additional Terms and Conditions for Supply (ATC) Compliance

1) As per contract value of \$5.00 million and above (i.e. 100,000,000 INR), above 1,00,00,000 INR, the minimum stock content should be 50 percent to fulfill an ASK of demand manufacturer or supplier. ASK to ensure that demand within delivery schedule provided with margin from respective Q1, Q2 and Q3 with respect to quantity and by the form of Q1, Q2 and Q3 will ensure better utilization of stock over value of the line and minimize inventory levels and also released inventory to the tune of 25% with value of 100,00,000 INR before shipping the material to a final customer at later stage.

Please select the relevant category to see the listed ATC's
